REPORT OF THE GENERAL SECRETARY-TREASURER

Thank you for the opportunity to present to you the following report. It involves official-business conducted during this, the XIV Congress of the ISSCT.

(1) Membership. The membership for the XIV Congress is 1558. This membership will be published by Regional Divisions and Countries in the Proceedings of this Congress.

(2) There were a total of 704 members in attendance at this Congress. In addition, approximately 135 wives were in attendance.

(3) Finance. A letter from Mr. Daniel J. Dougherty, the General Custodian of ISSCT, reveals the following financial situation:

Mr. F. A. Graugnard, Jr.
General Chairman
XIV Congress, ISSCT
New Orleans, Louisiana

Dear Mr. Graugnard:

This is to advise you that John G. Butterfield, ISSCT Trustee and General Property Custodian, is no longer with the Hawaiian Sugar Planters’ Association. Since early 1969, I have been performing the duties of Trustee and Custodian, on an interim basis, until the general membership could meet to select a permanent Trustee and General Property Custodian.

The assets of the Society now in the care of the Trustee and Custodian are:

A. **Account 04-17501-5**, Keaumoku Branch, Bank of Hawaii, Deposits and interest earned through 9/71 $20,256.81

B. **Proceedings**

(1) Louisiana, 6th Congress, 1938 .......... 115 copies
(2) India, 9th Congress, 1956 Vol. I ...... 122 copies

Vol. II ...... 119 copies

(3) Hawaii, 10th Congress, 1959 .......... 2 copies
(4) Mauritius, 11th Congress, 1962 .......... 89 copies
(5) Puerto Rico, 12th Congress, 1965 .......... 2 copies
(6) Taiwan, 13th Congress, 1968 .......... 97 copies

C. **Miscellaneous**

(1) A Selected Bibliography of the Insects of the World Associated with Sugar Cane, Their Predators and Parasites. (Wade, 1951) .......... 140 copies

Before a new Custodian is selected, the Society should be prepared to authorize him to dispose of the out-of-date proceedings and other books. These books take up quite a bit of space and serve
no useful purpose in their present state. The means of disposal
should be indicated by the Society.

Also, the sending of one hundred copies of the current pro-
cedings to the Custodian seems excessive when it is considered that
only three copies of the Proceedings of the XIII Congress were
ordered from the Custodian. It would seem that 25 books would be
more in line with the Society's requirement.

Very truly yours,
Daniel J. Dougherty
Custodian ISSCT
