FAREWELL SPEECH

Dear Fellow Delegates, Ladies and Gentlemen:

It is for me a sad occasion to realize that within a day or so you will all be leaving us to return to your homes. After all the preparations, the anticipation of the Congress and the many hours of pleasure for us to act as your hosts during these few days – we shall miss you all. Please be assured that we have enjoyed every minute of your visit. I do hope you will remember Thailand and its people as we shall remember you. As sugar technologists, I do hope you will return to your respective countries with renewed hope for our sugar industry and with new knowledge! May you all have a safe and pleasant journey home. Thank you and Sawasdi.

Manu Leopairote
Congress General Secretary - Treasurer
